Porvasal is Spain's leading fine porcelain manufacturer, specializing in elegant, modern commercial dinnerware. The product range is predominantly white hard porcelain, fired to 1,400 °C - at this temperature porcelain acquires the best resistance to both physical and chemical stress.

Porvasal's production is designed and manufactured fulfilling the most strict standards of quality and meeting the needs of the professional. Porvasal is an exemplary solution for your fine porcelain needs.

Hundreds of additional items are available with a reasonable lead time.

SOFIA PRO

Sofia Pro, both elegant and practical, is ideal for everyday use.

Get a chic, vintage look with **Décor Dots**. Earthy glamour is on-trend and mixes beautifully with more traditional plates.

DÉCOR DOTS

PORVASAL

/33

ORBE

Orbe is a collection of subtle, sexy and gentle shapes with flying, open wings that capture the imagination.

LINNEO

Inspired by nature, a delicate spiral graces all Linneo pieces. Geometry never looked so beautiful.

BAHIA

Bahia round pieces offer simple shapes that offset the drama of Orbe and Linneo beautifully.

PLATTERS

PORVASAL

/35

Porvasal beverage, platters & accessories balance out your table setting with unique details and modern charm.
